13 **ORDER DENYING PLAINTIFF'S
14 REQUEST FOR HEARING**

15 By order filed August 15, 2024, the Court dismissed the above-titled action for lack
16 of subject matter jurisdiction. On August 16, 2024, plaintiff, apparently not having
17 received the dismissal, filed a "Request for Hearing," whereby he seeks, for the second
time, reconsideration of the denial of his motion to enjoin proceedings in a state court
unlawful detainer action.

18 In light of the dismissal of the action, the Request is hereby DENIED.

19 **IT IS SO ORDERED.**
